**Alderman Cappleman's Zoning Change Determination: 3925 N. Clarendon Ave.**

After hearing input from East Lakeview Neighbors, as well as their affirmative vote to approve this development, I have decided to support the upzone to allow for this 18-unit residential building. My decision was based on the positive feedback from the community and the expansion of housing on an existing parking lot.

Housing supply and affordability continue to be a top priority and this project expands multi-unit and multi-bedroom housing in an area with a high demand.

Sincerely,

Ald. James Cappleman, 46th Ward
